CRM MANAGEMENT USING SALESFORCE CLOUD PLATFORM

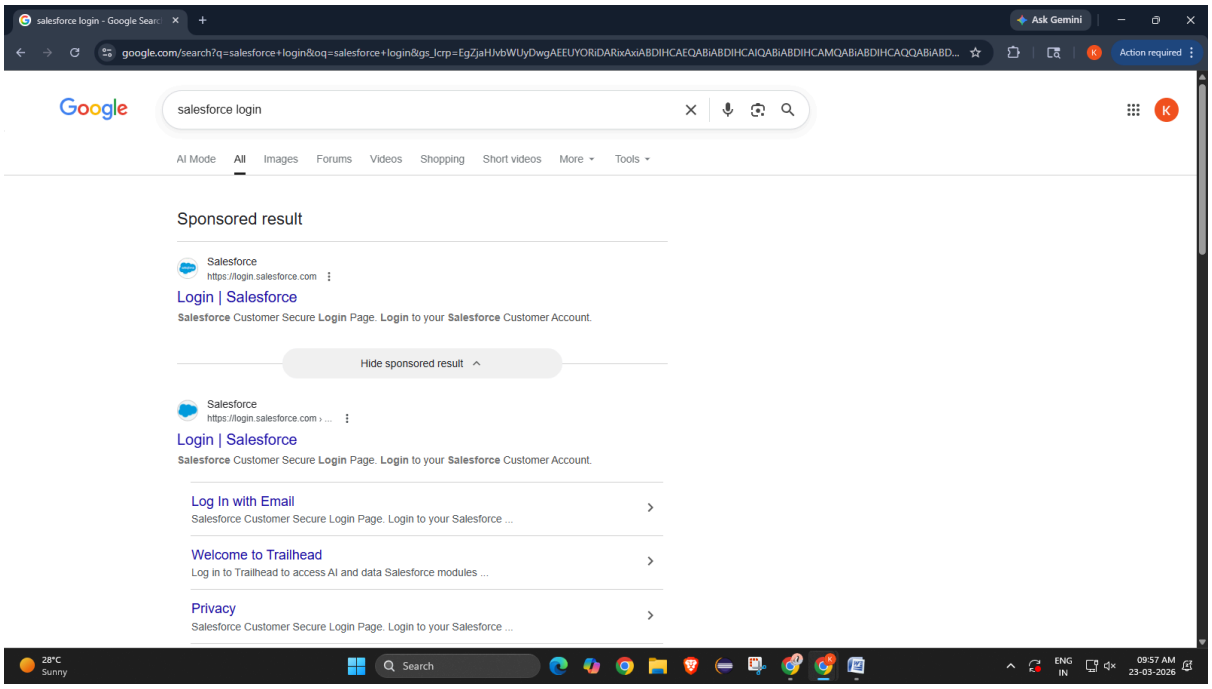
AIM:

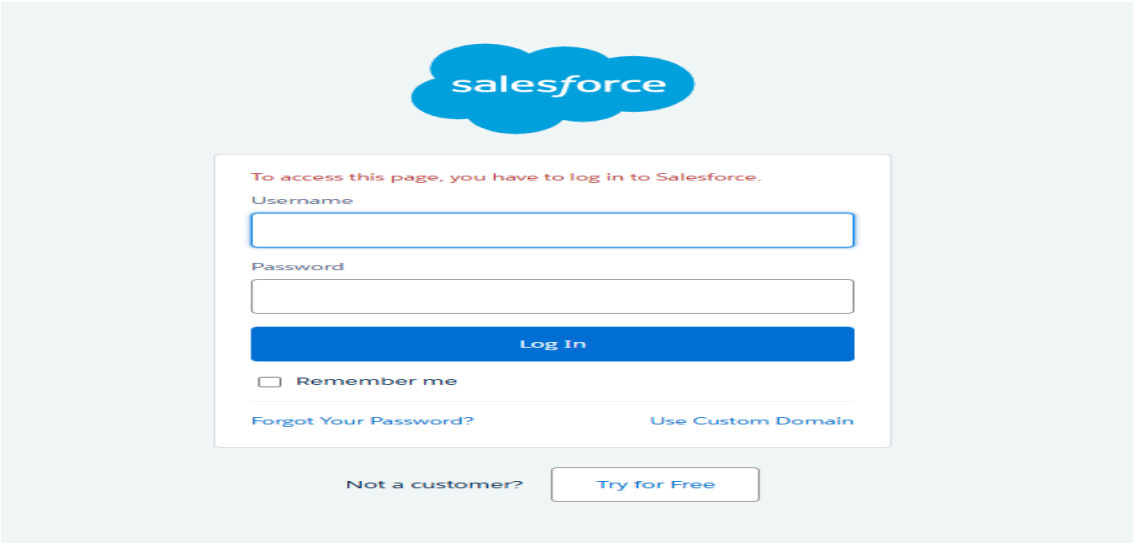
To create a Customer Relationship Management (CRM) system using the Salesforce.com portal.

PROCEDURE:

Step 1: Open Salesforce Website

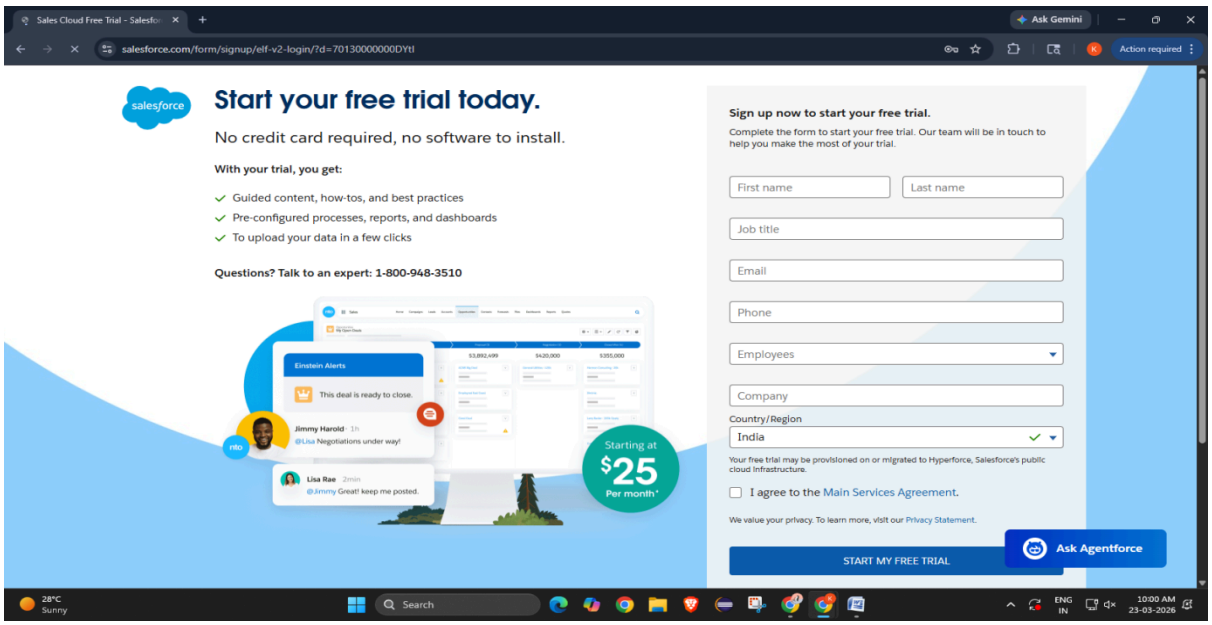
- Open a web browser (Google Chrome, Mozilla Firefox, Edge, etc.).
- In the search bar, type “Salesforce login” or go to https://www.salesforce.com.

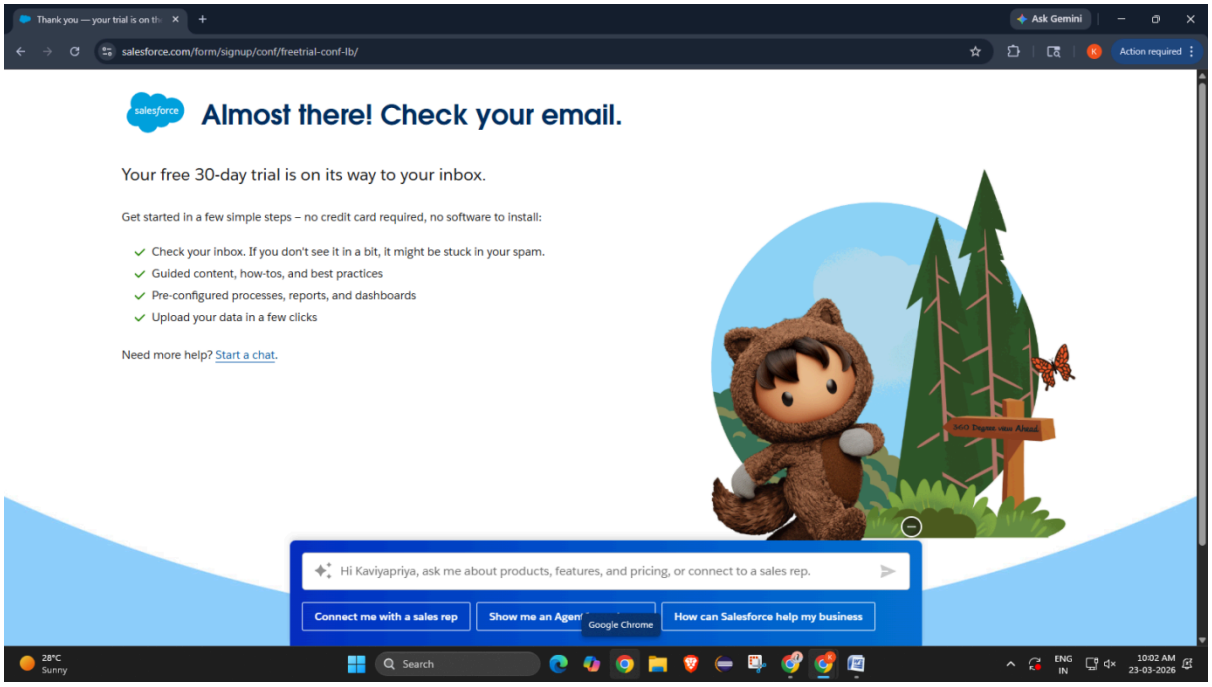


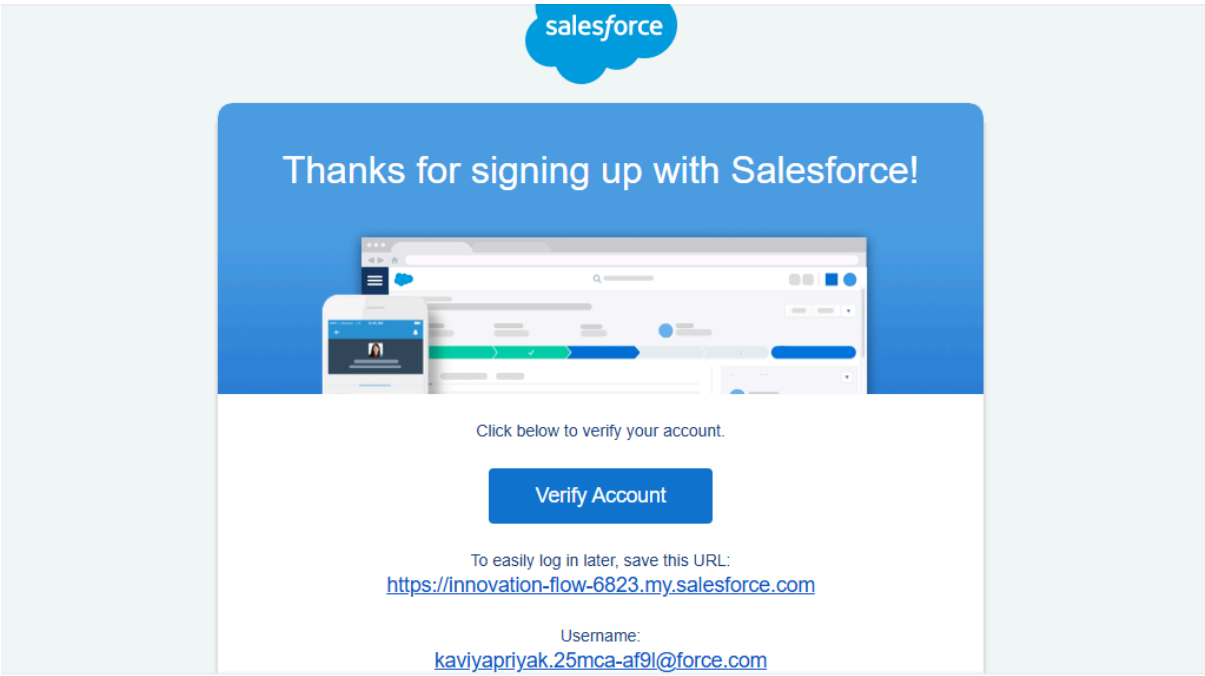


Step 2: Sign Up for Salesforce

- Click on the "Try for Free" button on the homepage.
- Fill in the required details such as First Name, Last Name, Email, Job Title, Company Name, Employees, and Phone Number.
- Click "Start Free Trial" (You may receive an email verification link to activate your account).



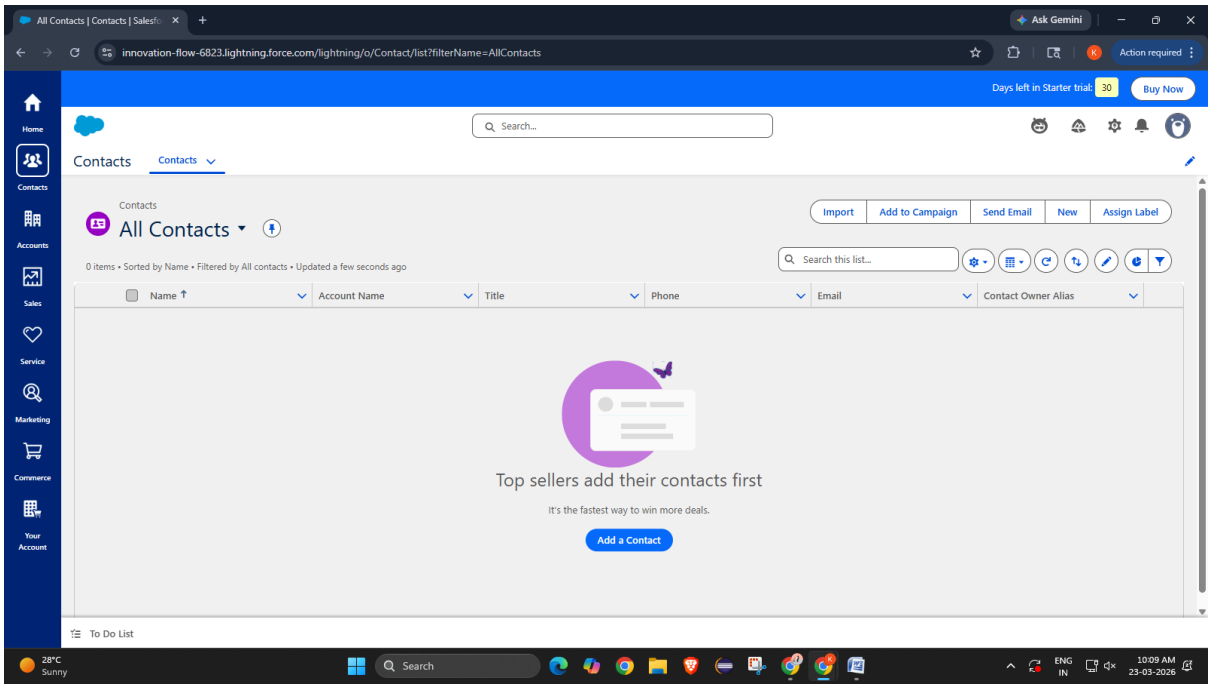




Step 3: Login to Salesforce

- After completing the sign-up process, log in to your Salesforce account using your registered email and password.

● The Salesforce Dashboard will appear, showing various modules like Leads, Accounts, Contacts, Opportunities, etc.



Step 4: Create a New Contact

● On the left-side panel, click on “Contacts”.

● Click on the “New” button to create a new contact.

● A pop-up dialog box appears where you need to enter the following contact details:

o First Name

o Last Name

o Email

o Phone Number

o Company Name

● Click Save to store the contact information.
